REFRIGERATION TRADE ASSISTANT (24TH AUGUST 2021)

We are a leading Refrigeration company in Adelaide, installing, balancing and commissioning commercial air conditioning systems around metro Adelaide.

We have a position available for a trade assistant with a possible apprenticeship to the right candidate.

Our business is 24 years old and employ a small crew of Refrigeration Mechanics. We will require someone who has a white card, started or completed their Cert II (or similar), has their drivers licence and their own transport. This position will be immediate start.
