

CERTIFICATE II IN AUTOMOTIVE SERVICING TECHNOLOGY

AUR20520

ABOUT THE COURSE

This Certificate II in Automotive Servicing Technology is a Flexible Industry Pathway (FIP) and is partially funded by the South Australian Government. In this pre-apprenticeship qualification, you will develop a foundation of basic knowledge to help you prepare for a career in the automotive industry. Participants will also get the skills to identify, inspect and perform basic repairs to the mechanical and electrical components of light and heavy vehicles, outdoor power equipment, and motorcycles.

COURSE LENGTH

18 months (3 semesters)

Commencement date week starting 05/02/24.

Training consists of 51 x weekly sessions from 8.30 until 15.00. This course will be offered on Monday, Tuesday, Wednesday, and Thursday *TBC. Students will be expected to attend ALL programmed training sessions regardless of home school events.

TRAINING FORMAT

All training is delivered at the Western Technical College by our dedicated team of TAFE SA Lecturers, combined with our state-of-the-art facilities to create a stimulating and supportive adult learning environment.

PATHWAYS

Students will gain skills appropriate to numerous fields of work within the Automotive Industry, including but not limited to: Aviation, Motorcycle, Marine, Light Vehicle Mechanic, Diesel Mechanic, Heavy Vehicles, Auto Electrician, Panel Beater, Spray Painter, Automotive Parts Interpreter etc. Successful completion of this qualification will prepare students to transition to work through an Australian School Based Apprenticeship (ASBA) or fully indentured apprenticeship, including:

- Certificate III in Light Vehicle Mechanical
- Certificate III in Heavy Commercial Vehicle Mechanical Technology

INDUSTRY CONNECTIONS

This Automotive qualification is supported by key industry stakeholders who provide WTC students with industry engagement and employment opportunities.

SACE DETAILS

SACE Stage 2, 60 SACE credits.

Successful completion of this qualification amounts to 420 nominal hours.

*Nominal hours are used for SACE purposes and are not reflective of actual delivery hours.

COURSE DETAILS

National Code	Unit Name	*HRS
CORE		
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace	25
AURASA102	Follow safe working practices in an automotive workplace	20
AURATA001	Identify basic automotive faults using troubleshooting processes	20
AURETRI15	Inspect, test and service batteries	10
AURTTA104	Carry out servicing operations	20
AURTTB101	Inspect and service braking systems	20
AURTTC001	Inspect and service cooling systems	10
AURTTD002	Inspect and service steering systems	10
AURTTD004	Inspect and service suspension systems	10
AURTTE104	Inspect and service engines	20
AURTTK102	Use and maintain tools and equipment in an automotive workplace	20
AURTTQ001	Inspect and service final drive assemblies	5
AURTTQ103	Inspect and service drive shafts	5
ELECTIVE		
AURTTF101	Inspect and service petrol fuel systems	25
AURLTJ102	Remove, inspect, repair and refit light vehicle tyres and tubes	40
AURLTJ113	Remove, inspect, and refit light vehicle wheel and tyre assemblies	20
AURTTJ011	Balance Wheels and Tyres	10
AURAF103	Communicate Effectively in an Automotive Workplace	20
AURSCA101	Select and supply automotive parts and products	100
AURTTX002	Inspect and Service Manual Transmissions	10

Course requires 13 core and 7 elective units.

CERTIFICATE II IN AUTOMOTIVE SERVICING TECHNOLOGY

AUR20520

RECOMMENDATION

It is recommended that students do not have a full study load at school if they wish to also study a Nationally Accredited Qualification.

COURSE LOCATION

Western Technical College is located at 44 Russell Street, Rosewater.

Serviced by public transport (Bus and Train).

Bus Stop 34 on Newcastle Street, Rosewater or Alberton Train Station (a 4-minute walk).

Check Adelaide Metro for times and routes.

ENTRY REQUIREMENTS

Successful completion of the VETRO process through demonstration of literacy and numeracy requirements and other eligibility criteria as outlined by the South Australian Government.

OTHER REQUIREMENTS

Students are to provide their own:

- Personal Electronic Device / Computer (BYOD)
- Khaki cotton drill work pants (FXD or similar)
- Steel cap boots - Black or camel colour.
- Security combination lock

FEES AND CHARGES

RTO FEE – GST EXEMPT

\$252 TBC

This course is listed as a Flexible Industry Pathway (FIP) and attracts a co-contribution amount of 60 cents per nominal hour.

STUDENT MANAGEMENT FEE – GST EXEMPT

\$350

This is a student management and support fee providing students and home schools with access to services provided by Western Technical College during the day of release from their home school for Vocational Education and Training (VET). This fee is supplementary to RTO training costs or Flexible Industry Pathway co-contribution. Students may be eligible for a cost offset to cover some or all of this amount. Please check the level of cost offset that your home school provides.

PPE/UNIFORM FEE – GST INCLUSIVE

\$143

Western Technical College (WTC) will supply the following approved WTC branded uniform and PPE:

- High vis long sleeve cotton work shirt
- High vis jumper
- Safety glasses
- Hearing protection

These WTC approved items ensure compliance with safety and uniform standards.

COST NOTES

Home schools will be invoiced for the total cost per student enrolment and are responsible for payment within 14 days of issue. Calculation of rebates is an arrangement between the student and their home school. Home schools must submit a completed Memorandum of Agreement each year prior to enrolling students at Western Technical College as a binding financial contract.

ENROLMENT PROCESS

To be eligible for entry into this course, students must register through the South Australian Government portal at: <https://www.cognitofrms.com/DepartmentForInnovationAndSkills/schoolenrolledstudentsvetreferral2023> and Submit an Expression of Interest (EOI) through the Western Technical College website: <https://www.wtc.sa.edu.au/enrol/expression-of-interest-form> This will initiate the VETRO (Vocational Education and Training Readiness and Orientation) including the Upfront Assessment of Need (UAN). Students will be contacted by TAFE SA with details on times and locations for literacy and numeracy testing. In the first instance this will involve the SRNI (Snapshot Reading and Numeracy Indicator). Students must meet VET for Secondary School Students eligibility criteria.

ORIENTATION DETAILS

Students will be notified by Letter of Acceptance distributed through their home school. Details of the first attendance day will be contained in this letter. A full orientation will take place at the first session. This will include a comprehensive Site Induction and TAFE SA Student Induction.
