

Move Onto Bigger Things.

Cavpower is the South Australian dealer for the supply, service and maintenance of Caterpillar heavy earthmoving, mining and ancillary equipment. Our Head Office is based in Adelaide and supports multiple sites and locations throughout regional South Australia and Broken Hill.

We provide the career, you select the path!

Apprenticeships 2024

Diesel Mechanic (Heavy Vehicle)

As South Australia's successful long term CAT dealer we have a reputation for excellence and the best tradespeople in the business. Where better to master your trade?

About the Opportunity

As a Cavpower Apprentice you will:

- Gain experience in the service and maintenance of a range of construction and mining equipment, on-highway trucks, engines and power systems manufactured by CAT.
- Work with talented technicians in state of the art workshops.
- Receive comprehensive theory training both in our own training school and with TAFE.
- Study for your trade certificate – Mobile Plant Technician.
- Be working on the world's most technically advanced earthmoving and mining equipment – the career opportunities are endless.

About You

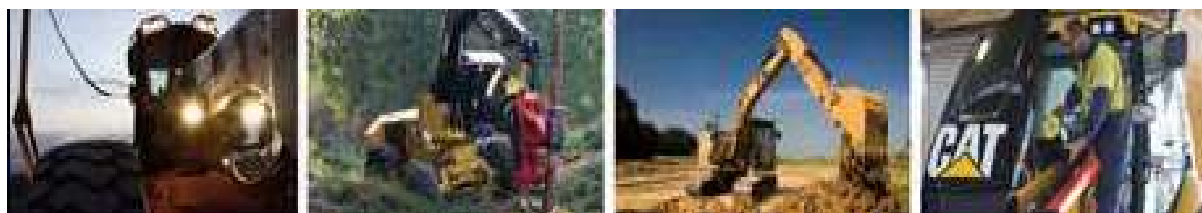

With a passion for mechanics, a willingness to learn and determination to succeed, you may have already commenced your mechanical pathway by completing a Certificate I or II in Automotive.

Next steps

If you'd like a career with a company that values its people and is committed to a safe workplace, then we'd like to hear from you. Send us your resume and let us know why you would like to be an Apprentice at Cavpower.

Please visit the current vacancies section of our website to upload your application.
