

PORT ADELAIDE CONSTRUCTION

Apprenticeship Opportunities in 2024

- **Boilermaker** Certificate III in Engineering—Fabrication
- **Heavy Diesel Mechanic** Certificate III in Heavy Vehicle Commercial Technology

Port Adelaide Construction are looking to have a Boilermaker and Heavy Diesel Mechanic Apprentices join our team in 2024. The successful applicants will work in a team of highly qualified tradespersons, and other apprentices at all stages, in our Largs North workshop.

What we are looking for:

- A mature, reliable, honest, energetic and hardworking young person
- An eagerness to learn

What we are offering:

- The Apprenticeship will begin in January 2024
- Training and PPE provided
- Full Time Position, with the opportunity for ongoing employment after the apprenticeship
- Potential opportunity for site work
- Variety of work to keep you interested and learning
- Working with clients in the Mining, Manufacturing and Petrochemical sectors
- Support and encouragement

Who we are:

Port Adelaide Construction is a SA family-owned business that began in 1991. We have grown the business, now catering to a variety of clients in not only manufacturing but across many industries with our own fleet of cranes, trucks and diesel mechanics. We have a strong team focus, with many of our employees having long term employment within our company, and many of those beginning as apprentices.

To apply for the position please send your expression of interest via email to pac@ptadelconst.com.au.
