

ADVANCED CARPENTRY SKILLS

STACKABLE VET

ABOUT THE COURSE

This Advanced Carpentry Skills course covers how to use carpentry tools and equipment, carry out levelling operations and setting out. This short course is designed for Year 12 students who have completed the Certificate II Construction Pathways in Year 11. This Advanced Carpentry Skills is proudly subsidised by the Construction and Industry Training Board (CITB), working in partnership with the Western Technical College, the CITB are able to offer eligible students a subsidy of \$2,000 towards this Advanced Skills course. To be eligible students need to have completed a Doorways2Construction Flexible Industry Pathway course. Find out more <https://citb.org.au/d2c-students/year-12-advanced-skills>

COURSE LENGTH

1 Semester - Commencement date week starting 05/02/24.

Training consists of 19 x weekly sessions from 8.30 until 15.00. This course will be offered on Monday, Tuesday, Wednesday, and Thursday *TBC. Students will be expected to attend ALL programmed training sessions regardless of home school events.

TRAINING FORMAT

All training is delivered at the Western Technical College by our dedicated team of TAFE SA Lecturers, combined with our state-of-the-art facilities to create a stimulating and supportive adult learning environment.

PATHWAYS

Students will gain skills appropriate to numerous fields of work within the Construction Industry. Successful completion of this short course will prepare students to transition to work through an Australian School Based Apprenticeship (ASBA) or fully indentured apprenticeship, including:

- Certificate III in Bricklaying and Blocklaying
- Certificate III in Carpentry
- Certificate III in Painting and Decorating
- Certificate III in Wall and Floor Tiling

INDUSTRY CONNECTIONS

This Advanced Carpentry Skills course is supported by key industry stakeholders who provide WTC students with industry engagement and employment opportunities.

SACE DETAILS

SACE Stage 2, 20 SACE credits.

Successful completion of this short course amounts to 144 nominal hours.

*Nominal hours are used for SACE purposes and are not reflective of actual delivery hours.

\$628 *TBC – GST EXEMPT

(\$2628 RTO Fee for Service – CITB subsidy of \$2000)

ADVANCED CARPENTRY SKILLS

STACKABLE VET

STUDENT MANAGEMENT FEE – GST EXEMPT

\$175

This is a student management and support fee providing students and home schools with access to services provided by Western Technical College during the day of release from their home school for Vocational Education and Training (VET). This fee is supplementary to RTO training costs and CITB subsidy. Students may be eligible for a cost offset to cover some or all of this amount. Please check the level of cost offset that your home school provides.

PPE/UNIFORM FEE – GST INCLUSIVE

\$143

Western Technical College (WTC) will supply the following approved WTC branded uniform and PPE:

- High vis long sleeve cotton work shirt
- High vis jumper
- Safety glasses
- Hearing protection

These WTC approved items ensure compliance with safety and uniform standards.

COST NOTES

Home schools will be invoiced for the total cost per student enrolment and are responsible for payment within 14 days of issue. Calculation of rebates is an arrangement between the student and their home school. Home schools must submit a completed Memorandum of Agreement each year prior to enrolling students at Western Technical College as a binding financial contract.

ENROLMENT PROCESS

To be eligible for entry into this course, students must register an Expression of Interest (EOI) through the Western Technical College website: [Western Technical College | Expression of Interest Form \(VET Courses\) \(wtc.sa.edu.au\)](https://www.wtc.sa.edu.au/Expression-of-Interest-Form-VET-Courses)

Students must also complete a TAFESA registration and consent form, which is available for download through the Western Technical College website:

[VFSS Registration Form Subsidised Training 2025.pdf \(wtc.sa.edu.au\)](https://www.wtc.sa.edu.au/VFSS-Registration-Form-Subsidised-Training-2025.pdf)

Students must meet VET for Secondary School Students eligibility criteria.

ORIENTATION DETAILS

Students will be notified by Letter of Acceptance distributed through their home school. Details of the first attendance day will be contained in this letter. A full orientation will take place at the first session. This will include a comprehensive Site Induction and TAFESA Student Induction.
