

SHB20216 CERTIFICATE II IN SALON ASSISTANT (FIP 2022)

ABOUT THE COURSE

This Certificate II in Salon Assistant has been designed for students wishing to learn salon skills or enter a career in hairdressing or barbering and related personal services industries. There is a high demand for hairdressers and barbers, and in this program students will undertake training that gives them the skills to apply for a full-time or school-based apprenticeship. Training is conducted in a salon environment. This is a Flexible Industry Pathway (FIP) and is partially funded by Department of Innovation and Skills (DIS).

PATHWAYS

Successful completion of this qualification will enable students to transition to work through an Australian School Based Apprenticeship (ASBA) or fully indentured apprenticeship.

Western Technical College provides support to students to transition to work through the Western Technical College Industry Connect program.

This course is also a prerequisite for Advanced Hair Styling (The Generators - Stackable VET) course at Western Technical College in 2023. Other Stackable VET options in Make Up may also be considered.

COURSE LOCATION

Western Technical College is located at 44 Russell Street, Rosewater.

Placement must be organised and approved through home schools and completed time sheets submitted to Western Technical College for recording. Participation in SWL is ideally undertaken during school holiday breaks. A SWL logbook must be completed as part of the Flexible Industry Pathway funding agreement.

REGISTRATION PROCESS

To be eligible for entry into this course, students must register through the Department for Innovation and Skills (DIS) portal at:

<https://www.cognitoforms.com/DepartmentForInnovationAndSkills/SchoolEnrolledStudentsVETReferral2> and Submit an Expression of Interest (EOI) through the Western Technical College website:

<https://www.wtc.sa.edu.au/enrol/expression-of-interest-form>.

This will initiate the VETRO (Vocational Education and Training Readiness and Orientation) including the Upfront Assessment of Need (UAN). Students will be contacted by TAFESA with details on times and locations for literacy and numeracy testing. In the first instance this will involve the SRNI (Snapshot Reading and Numeracy Indicator).

ORIENTATION DETAILS

Students will be notified by Letter of Acceptance distributed through their home school. Details of the first attendance day will be contained in this letter. A full orientation will take place at the first session. This will include a comprehensive Site Induction and TAFESA Student Induction.

FEES AND CHARGES

STUDENT MANAGEMENT FEE

\$250.00

This is a student management and support fee providing students with access to services provided by Western Technical College during the day of release from their home school for Vocational Education and Training (VET). This fee is supplementary to RTO training costs or Flexible Industry Pathway co-contribution. Students may be eligible for a cost offset to cover some or all of this amount. Please check the level of cost offset that your home school provides. The full fee of \$250 will be invoiced to home schools.

WEBVET FEE

\$100.00

This is an annual WebVET registration fee that covers software licensing, database management and home school access to student attendance, competency tracking and Structured Workplace Learning records.

A full report including trainer comment will be made available to home schools at the end of each term.

RTO FEE

\$189.00

This course is listed as a Flexible Industry Pathway (FIP) and attracts a co-contribution amount of 60 cents per nominal hour - \$189.00 co-contribution fee.
